# CERTIFICATE OF CONFORMITY NO. Z/02/018/20

Name and address of the  
certificate holder

OLAN Sp. z o.o.  
ul. Korczewska 57,  
Żabokliki, 08-110 Siedlce

Name and address of the  
manufacturer

OLAN Sp. z o.o., ul. Korczewska 57,  
Żabokliki, 08-110 Siedlce

Product description

Modular scaffolding

Model/Type of the product

R+ OLAN

Certification Program

P-CW / 01 – “N” type program within the  
meaning of PN-EN ISO / IEC 17067:  
2014-01 standard

The product meets the  
requirements

PN-EN 12810-1:2010  
PN-EN 12811-1:2007

Certificate validity

From 11 September 2020 to 10  
September 2023

Rights and duties of the certificate  
holder are stated in:

Agreement No. 018/20 on the application  
of the Certificate of Conformity of 11  
September 2020

*This certificate confirms compliance of the product with the requirements. The certificate  
applies only to scaffolding when completed in accordance with the attachment.*

**NOTE:**

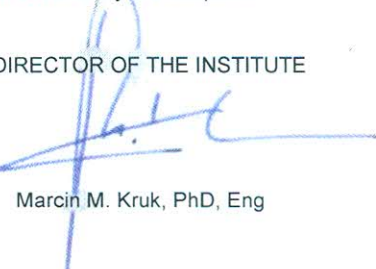

- This certificate applies to the R+ OLAN modular scaffolding, the technical data of which, load classes, as well as information on assembly and scope of use are included in the “Modular R+ OLAN Scaffolding, DTR – Operation and Maintenance Documentation [Assembly Manual]”. Żabokliki 2020, edition 2020.05,
- The certificate covers scaffolding in typical structures presented in the appendix (page 2/3).
- A detailed list of the scaffolding components included in the certificate is provided in the appendix (page 1/3).
- The Łukasiewicz Research Network – IMBiGS, in accordance with the requirements of standard 17065: 2013-03, supervises the certificate in accordance with the P-CW / 01 certification program covered by the scope of accreditation.

**Annex to the CERTIFICATE OF CONFORMITY No. Z/02/018/20**  
**Issue 2, release date 16 October 2020, page 1/3**

List of components included in the R + OLAN Modular Scaffolding covered by this certificate		
Name	Catalogue number	Material
R+ stand	RSR-04100; RSR-04150; RSR-04200; RSR-04300; RSR-04400.	Steel
Initial element	RSR-03000.	Steel
Steel O-bolt, horizontal	RSR-02073; RSR-02109; RSR-02157; RSR-02207; RSR-02257; RSR-02307.	Steel
Transverse U-bolt	RSR-03073.	Steel
Vertical brace	RSR-05073; RSR-05109; RSR-05157; RSR-05207; RSR-05257; RSR-05307.	Steel
Steel deck	RFS-84073; RFS-84109; RFS-84157; RFS-84207; RFS-84257; RFS-84307.	Steel
Steel platform "O"	RSR-99073/1,2; RSR-99109/1,2; RSR-99157/1,2; RSR-99207/1,2; RSR-99257/1,2; RSR-99307/1,2.	Steel
Aluminum-plywood access platform with a ladder	RFA-60257N; RFA-60307; RSR-60257N; RSR-60307N.	Aluminium / Plywood
Adjustable stand	RFS-12160.	Steel
Bracket "O"	RFS-13036; RFS-13073.	Steel
"U" bracket	RSR-12039; RSR-12073.	Steel
Anchoring connector with a hook	RFS-17040; RFS-17130; RFS-17300.	Steel
Wooden sideboard	RSR-20073; RSR-20109; RSR-20157; RSR-20207; RSR-20257; RSR-20307.	Wood / Steel
Aluminum stairs	RFA-30257; RSR-30257; RFA-30307; RSR-30307; RFA-35257; RSR-35257; RFA-35307; RSR-35307.	Aluminium
External stair railing	RSR-31257; RSR-31307.	Steel
Internal railing for stairs	RFS-32001.	Steel
Cross joint set	ZNN-ZB02CH.	Steel
Cross joint set	ZNN-ZB01CH.	Steel
